MBTC 2019

 09/04/19 - 09/11/19 >

Omaha, Nebraska

MBTC APP HOME SCREEN

TRACKS

There are five tracks: Customer Master, Accounting Master, CABS, Marketing, and Everyone. Each track is color coded to help you quickly identify classes to take.

TAGS

Tags also allow you to quickly find training and sessions of interest to you. With 11 different tags, MBTC 2019 has something for everyone.

SESSION TYPES

Sessions are divided into six types. You can click on each type to see a complete list and corresponding descriptions.

SCHEDULE

This is a comprehensive list, organized by day and time. Each session is color-coded to match the track. By clicking on a session you will see complete details, including a description.

HOTEL

This links to you a Google map of the hotel location.

FLOOR PLANS

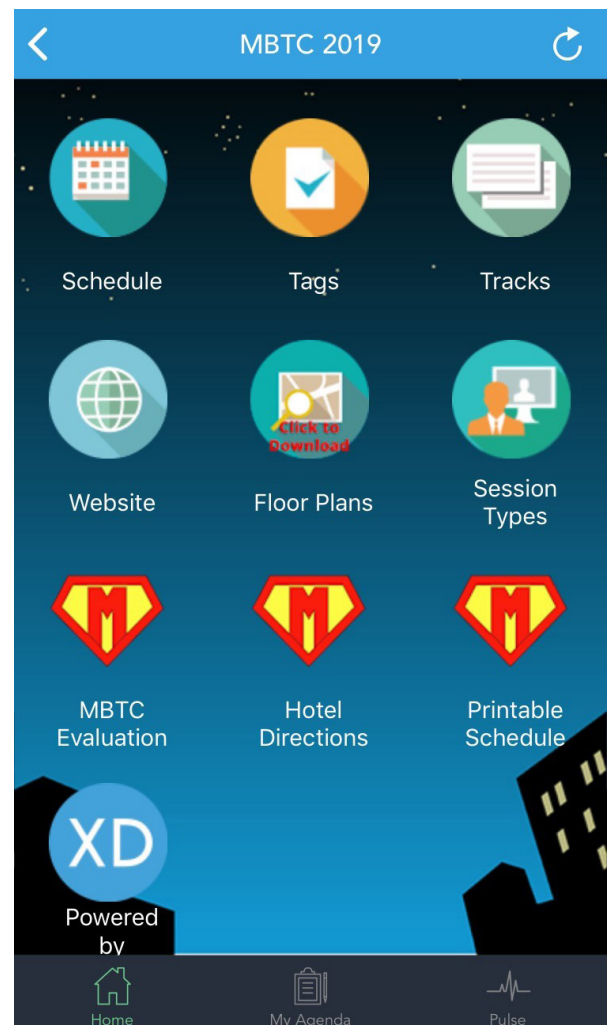

Click here to download a helpful pdf map of our meeting space.

PRINTABLE SCHEDULE

 Customer Master

This is a really great feature to help you plan your own conference agenda!

When you open an individual session you'd like to attend, click on the GREEN STAR. It will then be included on your personal agenda. After you have set your schedule, you can then utilize the MY AGENDA tab in the app menu.

Your personalized agenda will display by day the classes you chose for each time slot.
